Our stock is grown right to produce only healthy, firm tubers. Fields are sprayed regularly and carefully rogued. All plants showing signs of weakness or disease are immediately destroyed.

TESTIMONIALS

(Names on Request)

A customer from **Joplin, Mo.**, writes under date of January 21, 1934:

Dear Sirs,

Am writing for your '34 **Price List** as I am in need of a few more varieties, and want to **thank** you for the **fine stock** and **good count** on the 200 divisions I received from you folks last Spring. I thought my stock was good but I give up and thanks a lot.

Another customer from **Richmond, Va.**, dated January 22, 1934, writes as follows:

Gentlemen,

I am again writing asking for a **Spring Price List** as I bought Dahlia roots from you last year and was very much pleased with them. I am now making up my Spring list and would like very much to have your **Price List** before placing an order elsewhere.

A nice letter from a customer of **Oklahoma City, Okla.**, dated March 4, 1933:

Dear Mr. Finger,

Your **Balancing Budget Collection** has been received and I must say that they were the **nicest tubers** and **best packed** of any I have ever received during my 20 years of **Dahlia experience**.

Last season to keep our Dahlia crew on the job we offered many cutflower and garden varieties at the low price of \$5.00 per 100 rate and special collections at extremely low prices.

Although the total income of stock sold equalled cost of dividing, selecting, further handling and packing, the results were decidedly unprofitable when production costs and continued overhead expenses were considered, a fact realized sooner than expected.

We dare state that no reputable Dahlia grower in the U. S. can offer Dahlia roots at lower prices than our list quotations for 1934 and stay in business if paying decent wages for employment, and if offering selected stock for sale and that means **Selected A No. 1** divisions taken from healthy field grown stock where stunts and sickly plants are rogued out and destroyed and said stunts are not offered and sold in root form at a low price in competition with selected stock offered and sold by reputable and conscientious Dahlia Specialists.

Due to public demand and of creating employment during the slack winter months, our 1933 retail collection offers will be continued, but for reasons stated above are compelled to raise trade list prices over 1933 levels on certain standard varieties.
